NHIA named recipient of ASAE 2021 Gold Circle Award for INFUSION magazine

Alexandria, Va. (May 5, 2021) –The [National Home Infusion Association](#) (NHIA) is pleased to be the recipient of an [American Society of Association Executives](#) (ASAE) 2021 Gold Circle Award for the association’s bi-monthly INFUSION print magazine, which underwent a redesign in 2019.

The magazine is a free benefit for all members of NHIA and offers the latest information in the home and specialty infusion industry, including clinical topics, current news, feature articles, reimbursement information, and continuing education (CE) opportunities.

[The Gold Circle awards](#) are a competitive annual program, with more than 300 submissions from associations representing a wide range of industries. The 2021 honorees were chosen for distinction in 15 different categories to recognize excellence in membership, marketing, and communications.

“NHIA is excited to be the recipient of one of this year’s 2021 Gold Circle Awards. Receiving this award affirms our ongoing commitment to provide well-designed, high-value content about relevant topics impacting the home and specialty infusion industry to our more than 10,000 members across the United States,” said NHIA’s President & CEO Connie Sullivan, BSP Pharm.

NHIA will be recognized during ASAE’s virtual awards ceremony on June 4 at the conclusion of the 2021 [Marketing, Membership & Communications Conference](#).

For more information about NHIA and INFUSION magazine, visit www.nhia.org/infusion-magazine.

NHIA is a trade association that represents companies that provide infusion therapy to patients in their homes and companies that manufacture and supply infusion and specialty pharmacy products. Infusion therapy involves patient-specific compounded medications, supplies, and a range of pharmacy, nursing, and other clinical services for delivering care to patients in the home setting. For more information, visit www.nhia.org.
